

## Subject: What Can Our Church Do? Join the Walk for Life!

Dear Church Family,

Every day, 670 innocent preborn lives are lost to chemical abortion. Today, the abortion industry has aggressively expanded the use of abortion pills, making 63% of Florida abortions happen at home—often without medical oversight. Women are told it's easy and safe, but the reality is far from it. Now more than ever, they need hope, truth, and real support.

On Saturday, April 25th, Choices Women's Clinic will host the 2026 Walk for Life, and our church has the opportunity to make a life-changing impact.

### What Can Our Church Do?

It's time to **JOIN THE MOVEMENT**. This is our moment. **God is making a way** in the wilderness, where fear and confusion overwhelm so many. **With one simple step, you can change the story.**

➡ **Walk for Life.** ➡ **Invite others to walk with you.** ➡ **Be a voice for the voiceless.**

### Why Walk?

Every day, CHOICES sees women and men who feel abortion is their only option. But through free medical care, education, and ongoing support, CHOICES offers hope and a way forward. Because of this ministry:

✔ **771 women chose life after seeing their baby on an ultrasound.** ✔ **42 women made commitments to Christ.** ✔ **Families were strengthened, and generations were impacted.**

### How Can You Get Involved?

Our church's goal is a team of \_\_\_\_\_ walkers. You can help us reach it!
