Hi [Insert Your First Name],

I'm honored to share that on **Saturday, April 25**, I will be participating in the **Choices Women's Clinic Walk for Life**, an event dedicated to providing hope, care, and life-affirming support to women and men facing unexpected pregnancies.

Every year, millions of women and men in the United States face the uncertainty and pressure of an unplanned pregnancy. Abortion is presented as the quickest solution to "fix" her "problem." In those moments, having a safe, compassionate place to turn can make all the difference. CHOICES meets them there—offering free medical services, education, and emotional, material, and spiritual support so no one has to walk through that decision alone.

I'm walking because I believe every person deserves to be seen, supported, and given real options. CHOICES provides that care every single day, and lives are being changed because of it.

I'm working to reach my fundraising goal of [insert goal], and I would be grateful if you would consider partnering with me. A gift of \$25, \$50, or \$100 helps provide critical services and compassionate care to those who need it most. You can give here: [insert your link here]

This year, thousands right here in our community will find hope and help through CHOICES. Thank you for being part of this mission and for helping make a way for life. Your support truly makes an eternal impact. ❤️
