Dear {Insert first name},

On Saturday, April 25th, I am participating in the 2026 Walk for Life, benefitting Choices Women's Clinic, whose mission is to transform hearts and save lives with the love of Christ. Together, we empower abortion-determined women and men facing unplanned pregnancies to make healthy life choices through education, medical services, and ongoing support. All of their services are **free of charge because of generous sponsors like you**. Together you and I are serving the women and men who walk through the doors or schedule a telehealth appointment!

CHOICES serves the community through:

- Free medical services, including pregnancy testing, medical consultation, ultrasounds, STD testing & treatment, telehealth appointments, and abortion pill reversal.
- Legacy Parenting Development provides education for women and men that choose life. They also offer practical assistance like diapers, car seats, and clothing through their Baby Boutique and Baby Showers.
- Life Skills programs where men and women receive 1-on-1 mentorship, challenging them to discover their goals, overcome their challenges, and make healthy decisions to begin growing towards a healthy future.
- Abortion Recovery, where women and men find freedom, healing, and hope post-abortion.

I fully believe in the mission of CHOICES! I need your support to reach my fundraising goal of _____! Please consider a donation of \$25, \$50, \$100, or more and sponsor me with a simply online donation: [link here](#). Your gift is tax-deductible, and any amount changes lives today!

This year, CHOICES will impact thousands of lives in our community. To learn more about them, visit choicesfriends.com. Thank you in advance for supporting me as I Walk for Life on April 25th!
